

SPECIAL SILK SHOWING

This Spring has excelled all others in the great number and dainty designs of Silks. As a result of the popularity of Silk and our large assortment, our sales up to this time have exceeded all previous years. We find we have left a good many desirable short lengths—waist lengths and a few full pattern lengths. About four months remain for the wearing of this fabric in its season. We now give you the opportunity of buying these at a big discount while there is still a long time to wear them.

Letter to T. H. Cave, Barre, Vt.
Dear Sir: We know what the paints are all made of, you know we have to. In Wilton, N.C., are two dealers. One of 'em thinks he can't sell paint for more than \$1 a gallon; the other won't have such stuff in his store—sells Devco lead-and-zinc, of course.
The \$1 paint is adulterated 70 per cent; Devco is all lead and zinc and linseed oil, with as little good dryer as possible. A gallon Devco has in it a little more paint than four gallons of the other. A gallon Devco will cover as much as four of the other. Who wants to pay wages for painting four gallons for one?
How much is Devco lead-and-zinc worth in that town?
F. W. Devco & Co.
P. S.—Reynolds & Son sell our paint.
